THE INSIDE LINE

Due to the recent rainfall we have received this week, there are nice hidden pockets of brown pow everywhere! Please note that if you are coming up to ride this weekend, Targa High Country (9-11 Nov) is on and there are numerous road closures across the whole weekend. Click [here](#) for road closures.

If you are riding the Delatite River Trail, please be aware that due to a recent bridge collapse on one river crossing, riders will either need to ride through calf-deep water or dismount their bike and walk through. Please take caution while riding. Water levels are variable, dependent on recent rainfall.

TRAIL CREW RIDE OF THE WEEK

Danger's ride of the week is Clancy's Run. This fun descending single track features some fun switchbacks and hopefully some brown pow!
